

FY 2022 Treatment Services Pre-Solicitation Notice

Tuesday, May 18, 2021

The U.S. Probation and pretrial services office for the Eastern District of Louisiana intends to procure substance abuse, mental health, and sex offender treatment services for federal defendants and offenders in the following areas using a blanket purchase agreement. During this initial stage of the solicitation process, our office is attempting to identify as many interested treatment providers as possible. Please view the full notice at <https://beta.sam.gov/opp/caeb1e10eaf940858abd82153ff91482/view>.

If you are interested in submitting a proposal to provide services in any of the following catchment areas please send your contact information to proposals@laep.uscourts.gov.
